Chagi Siyavuya

ICT: Applications Development Graduate

About me

My name is Chagi Siyavuya. I am a dedicated software developer with a strong passion for coding and web development. I have acquired substantial experience by working on web application projects since 2022. I am now seeking entry-level opportunities to launch my career and further develop my existing skills.

Education

2021-2023

ICT: Applications Development: @DUT

I started a 3-year diploma in Information & Communications Technology at Durban University of Technology in 2021 and completed it in 2024.

2017-2020

Matric: @Marelane Senior Secondary School

I completed my matric in 2020 at Marelane Senior Secondary School, passing with admissions to a Bachelor's Degree.
Merit Awards:
- Best Student In English ⬇
- Best Student In IsiXhosa ⬇

Experience

2022

↗ **Tic-Tac-Toe**

I developed a web-based game to learn vanilla JavaScript. Now, I have experience with additional JavaScript libraries and frameworks like React Native and Vue.

2023

↗ **Static Website**

This is a very basic website that I used to learn everything about the Bootstrap framework.

Jun 2024

↗ **Web Portfolio**

This is my Vue.js portfolio, which I built to showcase my frontend skills.
